

# IMPORTANT NOTICE!

## CEU REQUIREMENTS FOR 2005 CODE CHANGE YEAR

Every 3 years the National Electrical code is revised and new code changes are included and adopted by the State of Idaho.

**Each Master and Journeyman electrician with a license expiration date of July 31, 2005 or later must provide 24 hours of continuing education, 16 hours of which must be on the 2005 Code changes, in order to renew their license.**

Certificates will be issued upon completion of these classes and ***it is your responsibility to submit a copy of the certificate with or before your license renewal.*** Your license will not be renewed until you have met the CEU requirements.

Courses taken in the following states may be credited towards your Idaho CEU requirements, as long as they are approved in the state in which you took the course:

MONTANA  
NORTH DAKOTA  
OREGON

SOUTH DAKOTA  
WASHINGTON  
WYOMING

**CERTIFICATES OF CEU COMPLETION  
ARE NEEDED FOR RENEWAL!!!!**
